D. HECHINGER & CO.

Nearly all who have visited Maysville's Fairs know that all courtesies that can be extended are received at Hechinger's Clothing House. It is generally believed that the Elks Fair will excel all previous Fairs held here before. Doubtless hundreds of people will be here who have not attended former Maysville Fairs. To friends and strangers we extend the hospitality of our house; come in and make yourselves perfectly at home. Incidentally, if you have any curiosity, we can tell you what men of fashion will wear this fall and winter. Ask us. We have got in our entire Fall and Winter Stock of Clothing, Gents' Furnishing Goods, Hats, etc.

To those who wear our Clothing it is a well-known fact that we handle the very best, namely, Stein-Bloch, L. Adler Bros. & Co., Michaels, Stern & Co., Garson, Meyer & Co., all Rochester made goods, which city is noted for making the best men's and boys' Clothing in the world. We have sold them for years, and our experience has been we have never had a dissatisfied customer who bought any of the above named brands. Our John B. Stetson Co. fall line of Hats is now open for your inspection; we want you to see them. You will not be importuned to buy; we just want you to look at them.

Our Neckwear and Shirt Departments are replete with the latest novelties for this fall. Ask us to show you the "Fusion Tie." Gentlemen who are going to attend the Fair Hops during the week, and did not bring their dress suits with them, can secure very handsome ones from us for the occasion. How about your feet? Hope they are not worrying you. No man can develop the better part of his nature while his feet ache. Aside from making himself disagreeable to others, he loses considerable of life's sunshine. He is thinking of his feet. It is good business to buy shoes intelligently. The Hanan & Son, W. L. Douglas, both of which lines are confined to us, are the smartest Shoes for men on the market. They wear longest, look best and feel broken-in from the start. We warrant every pair that we sell; money back if they do not give satisfaction.

Once more, come in and see us while you are in town, whether you want to buy or not.

There is more Calumet in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years the cure pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable, and now has been found to be a constitutional disease, and therefore requires constitutional treatment. Hall's Calumet Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure, need for stimulants and tonics. Address: F. J. CHENEY & CO., Toledo, O. **SPOONER DRAMATIC COMPANY.**

The Journal and Tribune of Knoxville, Tenn., says: The Spooner Dramatic Company opened a week's engagement at Staud's Theater last night and jupon "The Pearl of Savoy," a pastoral drama. The house was well filled. \* \* \* The story is well told and the denouement all that could be desired. Miss Alice Spooner, who takes the role of Maria, the Pearl of Savoy, is bright, vivacious and versatile. Although unusually young for one taking the leading role she acquitted herself with the sang froid and self-possession of a more experienced actress. The comedian part of the troupe is Mr. F. E. Spooner, who played the role of Pierrot, a goat herder, and succeeded in interpreting a lot of good-humored, wholesome fun into the play. The rest of the company were meritorious and the costumes attractive.

"The Spooner" all next week at the Washington Opera-house at popular prices.

**An Open Letter.**

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. Does not a good deal of advertising appear to you as though the advertisers were indulging too freely in fine words? Most of them seem to say something that means nothing. Names are invented for goods that have no bearing whatever to the materials; turned and twisted until they are no longer relevant, all of which is done to tone the product, because the product hasn't enough of it. Fine feathers make fine birds, but fine words do not make fine goods. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and that is to plainly tell people what you have to sell, and sell it as low as is consistent with legitimate business methods.

Our spring importation of Dress goods, White Goods, Carpets, Mattings and House-keeping Goods generally is complete. Come and learn prices, which will be found to be as cheap as the cheapest, quality consistent. Respectfully, GEORGE COX & SON.

**PUT IN A TON OF OUR COAL**

That will be enough to enable you to make any kind of money you like. The quality is all right. Chesapeake coal is not a bit better of good and bad from different mines, but all good from the one vein, living tree from stone or dirt, burn all clear.
